SUMMARY

Front End Developer with 3 years of solid experience in all aspects of front-end development using Bootstrap, CSS, HTML, and JavaScript. proven ability to take an idea from concept to completion.

I am seeking a front-end developer position in a stable company where I can use my skills to benefit the company.

EXPERIENCE

Front End Developer

EraaSoft

June 2020 - April 2021, Giza

- I developed frameworks from design specifications and created user interfaces using HTML/CSS, JavaScript, and React, which resulted in a 25% improvement in the loading time of applications.
- Implemented a consistent user interface design for all supported browsers resulting in a 50% increase in user satisfaction ratings.
- Utilized HTML/CSS, JavaScript, and React to create user interfaces, conducted testing and debugging activities, and monitored performance to ensure quality and speed.
